for Archaeological
Research & Education

Who We Are

OCARE: Ontario Centre for Archaeological Research and Education

Mandate: to discover, develop, and preserve Ontario's heritage through community participation in archaeology and education.

2019 – 2020 Board of Directors

Ryan Primrose, M.A., B.Ed., *President*

David Gadzala, M.A., *Vice-President*

Lisa Neil, L.L.B., Neil Law Office, *Vice-President*

History

- * active since 2005
- * incorporated as a not-for-profit in 2019
- * charitable status pending

Activities

- * research
- * discoveries
- * education
- * artifact collections

Location

- * currently: Woodland Heritage Northeast Ltd.
- * now need: a publicly accessible space to share collections and resources

OCARE in the Library: Still a Community Space

Proposition: New Liskeard Carnegie Library as OCARE space

- * beautiful heritage building meant for public education and enjoyment
- * OCARE would retain its original purpose

Upstairs: for the public - artifacts, educational space, library corner

Downstairs: offices spaces for revenue stream

- * Funding will be secured to upgrade and structural work
- * Building reverts back to city should OCARE cease operations

OCARE will work to ensure our historical public library remains a community space.
